GERMAN RADIO PROGRAM

For many decades, the German speaking community of Hobart has been fortunate to hear some nice German music on Sunday mornings. The program has served the German Club well by advertising its activities every week. I have enjoyed presenting the program for 32 years together with my two colleagues. Listeners have been most appreciative. Once every three weeks did not interfere with weekend family commitments. Then we became a team of two, and every second Sunday did not permit time to 'go away' for the weekend. If someone was sick and the other one not available – there was no back up and therefore no program.

For the past 6 months, Karl and I have been asking for assistance from the community. Sadly nobody has come forward. We need someone who is willing to volunteer one hour every 3 weeks to bring a bit of joy to mainly the elderly of the community who love to hear songs that they still remember from 'back home.' So many other communities also tune in to hear nice German music. Training will be given by the station.

Assistance with music will also be available. Please give something back to your community by volunteering as a broadcaster for one hour every three weeks. Unless somebody comes forward very soon, the German language radio program will finish at the end of December 2024.

Dankeschoen.

Karina Ceron – German language broadcaster.

Happy Birthday!
