

## President's Report

Happy New Year to all of our members and your families!

Most of us managed to get through 2020 and all of its issues and problems. Let's all hope that 2021 will prove to be a better year. I wish everyone the very best.

Since my last report, we have had a number of very successful functions at the club and we have had very many happy guests attend functions like the Christmas lunch. Everyone enjoyed the food and company and the room had been decorated very nicely. We have already got bookings for this year. The BBQ at the beginning of January was very well attended and again enjoyed by all. I'm writing this report before the Australia Day sausages and potato salad lunch but it should be a good one with almost 70 bookings.

We have had a lot of problems getting stock of our normal selection of beers in recent times but I'm happy to report that we were able to get stock of some of the products a little while ago. Prost!! Please come and enjoy one of your favourite beers at the club and catch up with friends and acquaintances.

There have also been a few very successful private functions at the club in recent times. Please remember that the club facilities are free for our members to use for private functions like birthdays and other celebrations. We're always happy to open the club on a day that suits you for your function. We may also be able to cater for your event at a very reasonable price if that's required.

We're looking forward to some more breakfasts and Kartoffelpuffer lunches in the coming months.

I have had a number of members calling me to complain about the price increase for the Schnitzelessen and the breakfasts. Both became necessary as our costs have been rising and the club now relies almost totally on functions and events for income. There is almost no income from the bar on most days. These are difficult decisions for the committee to make but without the price increases we would be struggling to pay the club's bills. Please keep on supporting the functions.

I look forward to seeing you all at one of club functions very soon.

Happy New Year

Thorsten

President
