## PRESIDENTS REPORT

Dear Members,

Hooray!!! It's time to re-open the club!

With the easing of some restrictions regarding the number of people we can have in each room at the club, we can now re-open and have a reasonable number attending functions.

Following the Premier's announcement on Wednesday, I contacted all members of the committee with a suggestion that we have a roast lunch at the club on Sunday the 12<sup>th</sup> July and I also proposed a number of other functions to be held until the beginning of October along with our regular monthly lunches. I have received positive feedback from everyone who has responded so far and as such the decision has been made by the committee to re-open. Attached is a list of the planned functions and the new temporary booking arrangements by phoning Gabi or myself.

Come and join your friends at the club for lunch with a nice dessert and a glass of bubbles.  
We'll be able to put our new chairs and tables to the test.

Our next committee meeting will be on Monday the 6<sup>th</sup> July at which we will discuss the opening of the bar and I hope that we can do this on Thursday 9<sup>th</sup> July. We have a bit of work to do before then to meet the regulations regarding social distancing.

Best wishes and stay safe,

Thorsten
