COVID WHEN VISITING THE CLUB

Thank you to everyone for looking after each other by remaining as covid safe as possible in this era. The rules around Covid can change at any time but we ask that you continue follow the most recent government guidelines and any extra rules we apply specifically for the club. Currently this means you must show your proof of being at least double vaccinated or have a medical exemption to enter the club. While at the club you must wear a mask unless you are seated and eating or drinking. The check-in app is still being used.

The regulations may not be to everyone's liking, but in recent weeks we've shown the club remains a great place to meet with friends, these few rules aren't stopping that. Come along and enjoy everything your club has to offer.

Happy Birthday!

PRESIDENT'S REPORT

Welcome to 2022 at your club. We said goodbye to 2021 with a scrumptious Kassler lunch in December and said hello to 2022 with our first schnitzel of the year on January 2nd - the kitchen barely had time to cool down in between! But that wasn't enough for our enthusiastic volunteers, they followed up those functions with a BBQ that was attended by lots of happy club members. Thank you all for continuing to come and support your club and for joining in all we've got on offer. Check out the Activities and Events sections of this newsletter to see what might interest you and mark your calendar so you don't miss out!

It looks like summer has finally decided to make an appearance in Hobart. Hopefully you can all get out and enjoy the long days and warm weather. Stay safe out there and I'll see you soon at The Club.

All the best,

Veronica Dalton
